Common Error Messages

Time Conflict: Course times overlap. Choose a different section for one or both of the conflicting classes, then add both classes to your registration. NOTE: It is possible to get permission from an instructor to allow a time conflict. Your department secretary must process the permission, which will allow you to register online.

Approval: Check for course approvals on your Banner Web Account under Registration Status. If permission has not been processed, see the appropriate person and the department secretary will process the permission. You can then register for this course online.

Closed Course: The section is full. Register for another section or course.

Level Restriction: You are an undergraduate and have attempted to register for a graduate level course. You must go to the Registrar's Office and, if you are eligible, file a petition for permission to register for this course. Students matriculated in a BS/MS program will use an Academic Petition for this request. Students who are not matriculated in a BS/MS program will use the Petition for Graduate Courses.

Over Maximum Credit Load: Credits total more than the maximum allowed. See your department chair or advisor for permission to register for a credit overload. The department secretary will process the permission, which will allow you to register online.

Pre-Req/Test Score: This course requires another course be taken or be in progress **prior** to registration.

Helpful Hints

- Use the Menu button to move between screens. **Do Not Use The Back Button**, you will be logged off. If this happens, simply log in again.

- If you try to access a menu option and receive the message "Request Failed," click the Back button **Once** and try again.
- Inactivity on the system for 12 minutes or more will log you out. If this occurs, simply log back in.

Important Information

Payment Deadline

The payment due date for Spring 2024 is Friday, January 5. Course registrations and/or housing assignments are not guaranteed if payment or valid deferral is received after this date. Those students requiring re-registration due to non-payment will be subject to a \$40 re-registration fee. Billing statements will be processed electronically - e-mails will be sent to notify students when a billing statement has been processed. **E-mails will only be sent to your SUNY Poly e-mail address.**

Please Note

Students who have registered for classes and decide not to attend must formally withdraw through the Registrar's Office to avoid being billed/charged partial or full tuition and fees. Students must contact the office and complete a withdrawal form. It is recommended that after your partial or full withdrawal is completed with the Registrar's Office, you check your Banner Web account to ensure the accuracy of your request.

Confirm Your Charges Online

ALL students must confirm their charges before the due date of the semester billing statement.

Zero/Negative Balances: If you have a zero or negative balance on your account, you can either sign the remittance portion of your electronic semester billing statement PDF and return it to the Bursar's Office or you can accept your charges online. To accept your charges online log into your Banner Web Account.

After entering the secure area a message will appear asking you to confirm your charges. Selecting "accept" completes your acceptance. Selecting "decline" will not confirm your charges and you may lose your registration.

Online Payments: To make full payment online, or if you would like to enroll in a time payment plan, your charges will automatically be accepted upon completion of the web payment process. Please refer to the Bursar web page for online payment information or go to: sunypoly.edu/student-life/student-resources/bursar/pay-your-bill

Important Financial Aid Refund Information

For information regarding your Financial Aid refund, please review this webpage.

sunypoly.edu/admissions/financial-aid/policies/refund-guidelines

Students Must Access Class Schedules Online

Class schedules will not be mailed

Check your schedule at <http://bannerweb.sunypoly.edu> after any change is made (registration, add/drop, or withdrawal). This is to ensure you are registered for the correct class sections and number of credit hours. Classroom assignments often change during the first two weeks of the semester. Verify your schedule often so you are aware of any changes.

Final Grades are Posted Online Only

Final grades will become available at <http://bannerweb.sunypoly.edu> during finals week. Grades will be posted as they are received by the Registrar's Office from each instructor. You can access your grades for all semesters that you attend and print your own grade report. You will need your user ID and PIN to access this information.

All Academic Notifications Delivered to SUNY Poly E-mail

It is essential that all students set up their college SITNet ID to access SUNY Poly E-mail, Blackboard courses and other computer and network resources. Instructions are at sunypoly.edu/student-life/student-resources/get-started. The SITNet ID and SUNY Poly E-mail account will be available within an hour from the SITNet ID's activation.

SUNY Poly E-mail and Announcements are our main methods for communicating with students outside of class. College offices use SUNY Poly E-mail and "Student Announcements" to notify students of policy and procedure changes, change in services, deadlines and closings. SUNY Poly E-mail and "Student Announcements" posts are your official notifications whether or not they are read! Confidential correspondence such as refund checks will be sent only through the US mail.

General Information

Auditing Courses: A student may audit a course as non-credit under the following conditions: registration is on a space available basis and the student must receive written permission of the instructor of the course by using the Course Audit Registration Form found on the Registrar webpage under forms. Online and hybrid courses are not available for audit.

Cancelled Course: In the event of a course being cancelled for the semester, the Registrar's Office will initiate an administrative drop for the student. Students will be notified of the cancellation by mail/e-mail and should also be aware that the loss of credits could affect their eligibility for financial aid or Veteran's benefits they may have applied for or received to date. Students may need to add another course to retain their aid eligibility. The Bursar's Office will process any refund or additional billing, as appropriate, should students take no further action after being notified of the cancellation.

Change of Address: Please check your address information in Banner Web under the Personal Information menu. You will have a permanent address (your official address of record), a mailing address (an off-campus address where you are living for the purpose of attending class), or a local campus address (an on-campus address). You may update your mailing address directly on the Web. Changes to your

permanent or local campus address (where you are living during the academic school year) must be made by contacting the Registrar's Office at 315-792-7262 or by completing an address change forms available on the Registrar web page under "Forms."

Change of Name: A name change may be made by completing a form available at the Registrar's Office and on the Registrar web page under "Forms". It is suggested that individuals changing their name due to marriage use their former last name as their middle name. Copies of legal documentation (i.e., driver's license, marriage certificate) with new name is required to change name. This practice assists in identification and records maintenance.

Independent Study: Independent study projects are designed to provide matriculated students with an opportunity for a learning experience which can give increased understanding of a specific area of knowledge not provided by regular courses at the college. They are not to be used in lieu of courses listed in the general catalog and are not to be considered guaranteed offerings; they are available only as facilities, faculty, time, and interest permit. Within these guidelines, each department defines its concept of independent study.

Responsibility for planning, conducting and reporting on an independent study rests with the student. However, students are to seek the assistance of a faculty member in developing proposals. The student will submit a proposal to the faculty member specifying educational goals, proposed methods of evaluation, duration of the project, and the number of credit hours. The completed proposal will be reviewed by the department chair of the subject area. Registration for independent study can only occur after the proposal has been approved by the department chair and cannot be added after the normal add date for that semester. A copy of the proposal must be filed with the Registrar who will process the registration. No more than eight (8) credit hours toward the undergraduate degree may be taken as independent study at SUNY Poly.

Transcripts: SUNY Polytechnic Institute has retained Parchment to accept online transcript orders. All official transcript requests must be placed online through Parchment. To order an official transcript, please log in to your Banner Web Account or visit www.sunypoly.edu/student-life/student-resources/registrar/transcript-request. Processing time is subject to Parchment Transcript requests may require an Authorization form, with the student signature, be completed before the order is processed. Unofficial transcripts can be printed free of charge from your Banner Web Account at any time using your assigned User ID and PIN.

Veterans Attendance and Benefits Obligation: The curricula of SUNY Poly have been approved by the Veterans Administration for training of eligible veterans, war orphans and widows under the appropriate Congressional action. Eligible students should contact the campus Veterans Certifying Official in the Registrar's Office in Kunsela A210 prior to registering for classes to complete the necessary paperwork.

It is the responsibility of each VA educational benefits recipient to complete the requirements for each course they are registered for, and to notify the campus Veterans Certifying Official of any change in status, i.e., adding and/or dropping classes, withdrawing from a course or the college, address changes, etc. Any overpayment of benefits paid after the last date of attendance becomes a financial obligation of the student.

Withdrawal Procedures: Students who wish to withdraw from classes or from SUNY Poly must formally withdraw by completing the appropriate section of the Add/Drop Form as well as a Withdrawal Form (after classes begin). The student is responsible for dropping their coursework through the Registrar's Office in addition to completing the form. The forms are available at the Registrar's Office and on the Registrar's web page under "Forms". This will affect your matriculation status and/or ability to return to SUNY Poly. Failure to formally withdraw from courses will result in failing grades and/or unnecessary financial obligation.

Refer to the Academic Calendar for important dates concerning withdrawal from courses.

Immunizations

Students must comply with NYS Public Health Requirements, otherwise an immunization hold will be placed on the student account and after 30 days from the start of the academic semester students will be withdrawn from classes.

Measles, Mumps and Rubella (MMR) – NYS Health Law §2165 requires all students registered for six or more credits provide proof of immunity to MMR. Persons born prior to January 1, 1957 are exempt as well as students who are in 100% online designated classes with no intention of coming in person to campus.

Documentation Required:

Measles: Two dates of immunization, with the first dose no more than 4 days prior to the 1st birthday and the second dose at least 28 days apart

Mumps: One date of immunization no more than 4 days prior to the 1st birthday

Rubella: One date of immunization no more than 4 days prior to the 1st birthday

or date and serological proof of immunity to measles, mumps and rubella; or statement from the diagnosing physician that the student has had measles and/or mumps disease

Meningitis – NYS Health Law §2167 requires that all new students have either had the meningococcal vaccine or acknowledge receiving information about meningococcal disease and vaccination and decline.

Documentation Required

Meningococcal immunization within the past 5 years (1 dose of meningococcal ACWY vaccine within the last 5 years or a complete 2- or 3-dose series of MenB); or completed and signed SUNY Poly Meningococcal Information Response Form indicating acknowledgement of meningococcal disease risks and refusal of meningococcal meningitis immunization signed by the student (or student's parent/guardian if under 18 years old).

The SUNY Poly Meningococcal Information Response Form must be returned in lieu of the immunization.

COVID-19 Vaccination

SUNY Poly students with an on-campus presence are strongly encouraged to be fully vaccinated against COVID-19 pursuant to SUNY's guidance. COVID vaccination is not mandatory for attendance.

Health History & Physical Examination

All students taking 12 or more credits must provide a physical examination (with complete review of systems) completed by a medical provider and signed or stamped within the last 2 years. A physical exam is required for all part-time students that utilize services at the Wellness Center and all residential students. Any student under the age of 18 years old must have the Consent for Medical Care section signed by a parent or legal guardian to provide authorization for medical services at the Wellness Center. You may use the SUNY Poly Health History & Physical Examination Form or submit the one completed by your health care provider.

Medical Insurance

SUNY Poly requires all students to have medical insurance coverage.

Domestic Students – SUNY Poly requires that all students comply with health insurance regulations as federally mandated.

International Students – The State University of New York requires that all international students entering the country for study or research, or any US student studying abroad in a SUNY sponsored program purchase a SUNY international student medical insurance policy. Medical insurance information is provided upon admission and students are automatically enrolled and billed.

Regional Educational Consortium

SUNY Poly is a member of a regional educational consortium that includes Hamilton College and Utica College. Full-time matriculated students at any of the consortium partners are able to enroll in one course of up to four credits of eligible coursework per semester (fall and spring only) at partner campuses without incurring additional tuition charges.

Eligible courses must be applicable to the student's degree program and approved by the student's academic advisor, certified by the Registrar. Courses are ineligible if SUNY Poly offers the same or equivalent course during the same semester. Registration in eligible courses is provided by the host campus on a space-available basis, determined by the host campus on or about the first day of classes.

When enrolled in a course at another campus, students are reminded that the course will follow the calendar and all academic and student conduct regulations of the host campus. While there is no additional tuition charge for courses taken under this program, students will be charged by the host campus for any fees (e.g., parking, technology, computer, student activity, etc.) normally assessed upon part-time students. In addition, SUNY Poly may impose an administrative fee.

Full details on this program, which may be modified from time to time, are available in the Office of the Registrar.

SUNY Cross Registration

Cross registration occurs when one SUNY institution (the "Host" institution) provides instruction for an undergraduate student enrolled in a degree or certificate program at another SUNY institution (the "Home" institution) during the same academic term (fall and spring terms only). Cross-registered instruction may occur in any instructional format. Cross registration allows for the waiving of tuition only at the host institution (student is responsible for any fees at the host institution). You must have the approval of both the home and host institution. You are responsible for ensuring that the course(s) you register for meet the requirements of your degree. If you change your major/minor, the courses you cross-register for may no longer count toward degree requirements.

For SUNY Poly students registering at other SUNY campuses:

- You must complete the 'Petition to Take Course at Another College', have it approved by your advisor, the department chairperson and the Registrar's Office.
- You must complete the SUNY Cross-registration form:
 - The Cross-registration form is now available online (www.suny.edu/crossregister); you may only use the paper form if the host campus has not set up their account on the online form (the paper form is available from the Registrar's Office).
 - To utilize the Financial Aid Consortium with the online form, check the box indicating that you would like to use financial aid for the course. If using paper forms, the paper Financial Aid Consortium form is available from the Registrar's Office.
- You are responsible for submitting the SUNY Cross-registration form (if using a paper form) and any other required paperwork to the appropriate office at the campus that is hosting the course.
- You must follow that campus's academic calendar for the course.

- You are responsible for any user fees assessed by the other campus.
- Timing of registration will be determined by the host campus.

For Students from other SUNY campuses registering at SUNY Poly:

- You must complete both the SUNY Cross-registration agreement form and the SUNY Poly non-matriculated application. The SUNY Cross-registration agreement must be approved (signed) by the appropriate individuals on your home campus prior to submission.
 - SUNY Poly prefers use of the online form.
- The non-matriculated application must be submitted to the Registrar's Office at SUNY Poly. If using the paper Cross-registration form, submit it with this application. You must also submit proof that you have completed any prerequisite course work for the course you are intending to register for (unofficial transcripts are fine).
- You are responsible for following the SUNY Poly academic calendar, found at www.sunypoly.edu.
- Registration for course work will be on a space-available basis at SUNY Poly. This will be determined on the first day of classes each semester.
- Registration for course work will be done by the Registrar's Office.
- You will be notified on the first day of classes if space is available and you have been registered or the course has reached its maximum capacity and you have not been registered.
- You are responsible for paying any user fees for the course and campus fees (i.e., – laboratory fees, parking fees, etc.) immediately upon being notified that you have been registered.
