

Writing Sample

(MS Nursing applicants only)

Applicant Name _____ E-mail _____

Nursing Program _____

Applicants to the MS Nursing program must provide a writing sample. The admissions committee will use this to assess writing ability, analytic skill and knowledge of the advanced practice nurse's role. Writing samples will be reviewed for both content and construction.

Prepare a writing sample that responds to the following:

1. Identify your intended graduate nursing program.
2. Describe how your professional experiences to date have prepared you for graduate study at SUNY Poly and for your intended professional role upon completion of the program.
3. Describe your plans to alter your professional and/or personal obligations to have the time needed for graduate study including the required clinical experiences.
4. Identify one significant contemporary issue/problem in the United States health care system and explore how members of your intended advanced practice role can help address the issue or solve the problem.

The total word count for the writing sample should not exceed 500 words (approximately 2-3 pages). The document should be double spaced, 12 point, Times New Roman font with 1 inch margins.

Submission options:

Mail to: SUNY Polytechnic Institute • Graduate Admissions Office • 100 Seymour Road • Utica, NY 13502

Fax: 315-792-7221 • **Scan/Email:** graduate@sunyit.edu
