Dear SUNY Poly Faculty & Staff,

You will be receiving a Campus Climate Survey from SUNY System Administration in the next few weeks.

This survey is intended to gather information about the incidence of sexual and interpersonal violence and knowledge of related policies and resources available on campus.

Pursuant to New York State Education Law Article 129-B and 2014 and 2018 Board policies, The State University of New York conducts a survey of the campus climate around sexual and interpersonal violence every other year. Separate surveys are sent to all students and all employees, respectively.

Thank you in advance for your candid feedback and responses. Your participation will help make our campus community a better place to live, work, and learn.

Sincerely,

Dr. Grace Wang
Interim President
