To SUNY Poly Faculty, Staff, and Students:

Building on the progress we've been making together, including SUNY Poly's strong recent rankings by *U.S. News & World Report*, you are invited to attend a series of Town Hall meetings on both our Albany and Utica campuses. During these sessions, Dr. Wang will share how we are advancing SUNY Poly's academic and research mission, in addition to providing the opportunity to receive your input.

All SUNY Poly faculty, staff, and students are cordially invited to the Town Hall meetings, with video livestreams available for each:

- The Town Hall meeting at the Utica campus will take place Thursday, September 26 at 12:00 p.m. in Kunsela Lecture Hall A112, with a live video feed in the Central Boardroom at the Albany campus.
- The Town Hall meeting at the Albany campus will be held Friday, September 27 at 1:00 p.m. in the NanoFab South Auditorium, with a live video feed in the President's Conference Room, Kunsela Hall B203, at the Utica Campus.

We look forward to seeing you at the meetings as we further enable a positive pathway forward for our institution, made possible by our focused, collective efforts.
