To SUNY Poly Faculty, Staff, and Students:

As we work to advance SUNY Poly on a number of critical fronts, I would like to hold a series of Town Hall meetings on both of our campuses to share the latest updates and provide insight into plans for the future that align with our strategic vision and mission, and seek your input.

All SUNY Poly faculty, staff, and students are cordially invited to the first of these planned Town Hall meetings, which are to be held at both the Albany and Utica campuses, with video livestreams available for each:

- The Town Hall meeting at the Albany campus will be held Tuesday, November 6 at 2 p.m. in the NanoFab South Auditorium, with a live video feed in the President's Conference Room, Kunsela Hall B203, at the Utica campus.
- The Town Hall meeting at the Utica campus will take place Wednesday, November 7 at 1 p.m. in the Kunsela Lecture Hall A112, with a live video feed in the Central Boardroom at the Albany campus.

We will discuss the initial details on the Framework for a Sustainable Future, and how, together, we aim to strengthen our institution with a steadfast, shared focus. I look forward to a constructive, solutions-oriented dialogue to support an even stronger, more inclusive future for SUNY Poly.

Sincerely,

Dr. Grace Wang
Interim President
